**ANOTHER MAN**

*U na hear wa de naycha kid a say, this is a knuckle story*

*Every day me hear a woman complaining  
She husband he na live right  
She say when she well want the loving and squeezing  
Him run gone go stray at night  
(Oh boy) u better take care a business at home  
Before u go out and rome  
(U mad) u better mek sure u secure u zone  
And don't leave u woman alone*

*Cuz another man go take ur place  
So u better pull up ur socks and clean up ur act  
And change ur dutty ways  
A man go take ur place  
U no hear knuckle na watch face  
And another man go take ur place  
U never miss the water till the well run dry  
Another man go take ur place  
My boy this is ur turn fu cry now let it play*

*She never want take a trip to St. Martin  
She never want fu go do fancy shopping  
She never want no cris fancy car  
She never wanted a super star (no way)  
All she want is a little attention  
Tender care with love and affection  
But u act like u don't give a damn  
And now she gone with another*

*Cuz another man go take ur place  
So u better pull up ur socks and clean up ur act  
And change ur dutty ways  
A man go take ur place  
U no hear knuckle na watch face  
And another man go take ur place  
U never miss the water till the well run dry  
Another man go take ur place  
My boy this is ur turn fu cry now let it play*

***Me hear a youth a call himself shatta and  
Him claim say he's a big time dappa and  
Him have a wife a yard  
He say he's a old dog  
Becuz him still check rebecca  
Every weekend him gone out go lime  
He and he friends and leave he woman behind  
She get fed up and she call joe grind  
What goes around come around in no time***

***Cuz another man go take ur place  
So u better pull up ur socks and clean up ur act  
And change ur dutty ways  
A man go take ur place  
U no hear knuckle na watch face  
And another man go take ur place  
U never miss the water till the well run dry  
Another man go take ur place  
My boy this is ur turn fu cry now let it play***
