

BY J. EDWARDS

BIG UP

*Music to all my family fans and me friends them
Anyway them dey round the world naycha kid love dem*

This one come form El-A-kru to u

*Last year naycha hot
This year naycha hotta
Me have the soca torch
And me come fu blaze a fire
Bun all dem hypocrite and all a dem back bitta's
Who never want to see me rise as a young entertainer
All I say none a dem can try fu get me down
Cuz jah jah keep on placing my feet up on higher ground
Some say that they don't like me but I don't give a damn
I sing this for everyone who keep cheering me on*

*Big up to me friends dem, big up to me fans dem
Big up to me family hey yow naycha kid love them
To all me enemy with u me have a problem
Take it to the lord in prayer only he can solve them
Big up to me friends dem, big up to me fans dem
Big up to me family hey yow naycha kid love them
To all me enemy with u me have a problem
Take it to the lord in prayer only he can solve them*

*Everybody right now come mek we dash a fire pon all them player
hater
Come mek we dash a fire - carnival coordinator
Come mek we dash a fire no wha fu see me prosper
Say yagga yagga yeh*

*Some entertainer mek a hit and when they reach on top
The fans are calling out to them and they just push them back
Me fire bun them attitude and just becuz of that
They say they can't wait to see the day my career flop
Tell dem hypocrite becuz they can't say that at all
My foundation is solid just like mount Zion wall
And when me in the streets me hail up big and small
No man is better than no man
That why me na stop*

*Big up to me friends dem, big up to me fans dem
Big up to me family hey yow naycha kid love them
To all me enemy with u me have a problem
Take it to the lord in prayer only he can solve them
Big up to me friends dem, big up to me fans dem
Big up to me family hey yow naycha kid love them
To all me enemy with u me have a problem
Take it to the lord in prayer only he can solve them*

*So hear me say right now come mek we dash a fire pon all them
player hater
Come mek we dash a fire carnival coordinator
Come mek we dash a fire no wha fu see me prosper
So le me sing hey ya*

*U know I have a story to tell
So I want all my friends and my family to listen well
Yo fans are u ready for this one
They try to get me out and crazy*

*So le me sing me just enter in the race
And nough a dem na wan fu see me face
Gi me some room just gi me some space
And if u talk
So hear me say I don't care what they say bout me
I love my fans and my fans love me
I doing this so naturally
So when me pon stage radio or the TV*

*Big up to me friends dem, big up to me fans dem
Big up to me family hey yow naycha kid love them
To all me enemy with u me have a problem
Take it to the lord in prayer only he can solve them
Big up to me friends dem, big up to me fans dem
Big up to me family hey yow naycha kid love them
To all me enemy with u me have a problem
Take it to the lord in prayer only he can solve them*

*Big up to me friends dem, big up to me fans dem
Big up to me family hey yow naycha kid love them
To all me enemy with u me have a problem
Take it to the lord in prayer only he can solve them
Big up to me friends dem, big up to me fans dem*

*Big up to me family hey yow naycha kid love them
To all me enemy with u me have a problem
Take it to the lord in prayer only he can solve them*

*Come mek we dash a fire bun out a player hater
Come mek we dash a fire dem no wan see me prosper
Come mek we dash a fire well we na wan dem round ya
Come mek we dash a fire
So everybody right now
Me wan u bun dem out left
Me wan u bun dem out right
And bun dem out a sight
Me wan u bun dem out me wan u bun right dey
Me wan u run dem out*
